

Rectifier Unit E-58-66-70

ENERCON GmbH Dreekamp 5 Phone: (+49/4941) 927-0 26605 Aurich, Germany Fax : (+49/4941) 927-199																																																																																																					
Baugruppe: Gleichrichtereinheit assembly: rectifier unit																																																																																																					
Artikel-Nr.: article no.:	18354 M																																																																																																				
Seriennummer: serial no.:	004931																																																																																																				
Typ der Steuerung: control system :	CS58/66/70																																																																																																				
Herstellungsdatum: manufacturing date:																																																																																																					
14 . 12 . 2004																																																																																																					
Aufbau/Verdrahtung: mounting/wiring:	Geprüft: checked:																																																																																																				
335	805																																																																																																				
Version: version:	1.0

Nº: 558

Unidades / Pieces :	5
Fabricante / Manufacturer :	Enercon
Modelo / Model :	E -58-66-70
Potencia / Power :	-----
Año de fabricación / Manufacturing year:	2004
Localización / Location:	Alemania / Germany
Disponibile / Available :	inmediata / immediate

Precio por unidad / Price per piece: **3.495.-€**
